GroupLink FAQs

Q

Do I need to register for GroupLink?

A

Please do! Registration is highly encouraged because we use this information to pre-match you with a leader(s) and, therefore, individuals with similar group preferences. If you make a last-minute decision to attend, please know you're welcome. We will be glad to assist you.

Q

If I have registered for GroupLink, does that mean I have joined a group?

A

No. There is no commitment. We use your registration information to give you an initial connection point to people you could potentially form a group with at GroupLink. Only you can decide if a group works for you logistically. GroupLink simply provides an opportunity to meet others and help you find the best fit for you.

Q

What happens at GroupLink?

A

Everyone starts the evening with an initial pre-matched connection point—a life group leader(s) that fits the type of group you're looking for. When you arrive, your first step is to meet the leader(s) as your initial connection point and decide if this group is a good start. If the logistics of this connection group work for you, you've joined a group! At any point, you are welcome to meet and talk with other leaders to ensure the best match. Volunteers will also be available to help connect you with other leaders, if needed. Once you've settled on your potential group match, there will be a set time to get acquainted with the entire group.

Q

What if I can't attend GroupLink?

A

Please register for the event and check the box marked "unable to attend". We will still pre-match you with a group based on your preferences. After GroupLink, we will contact you with instructions on joining a recommended group.

Groups will be closed after 3 weeks.

Q

What is the difference between GroupLink and a Life Group?

A

GroupLink is a two-hour event you attend to join a Life Group.

Q

Is childcare provided at GroupLink?

A

Yes! Childcare is provided for children 11 and under. There will be a place to request childcare when you register for GroupLink. Walk-ins will also be welcome.
