

GUIDELINES

as of 9.13.20

CLICK FOR RESERVATIONS

RESERVATIONS RECOMMENDED

If your child's room reaches its max, every effort will be made to move your child to another room. Email Angie at aschubert@brooklife.org

SAVE TIME

Download the "Church Center" app. Check your child in before arriving. Scan the QR code and print name tags when you arrive at Brooklife

ONE PARENT - ONE WAY

One parent for drop-off and pick-up. Follow signs for one-way traffic

CLEAN HANDS

Leaders will wash or sanitize kids' hands prior to entering the room

MASKS FOR KIDS

We will follow parents' wishes

MASKS FOR VOLUNTEERS

Required - Nursery, Two's, Preschool
Recommended - Elementary

CLEAN SURFACES

Rooms, bins, toys and surfaces will be cleaned before services

SICKNESS GUIDELINES

We ask that your child stays home if he/she:

- > or a family member has any symptoms related to or been exposed to COVID-19 in the past 10 days
- > has had a fever of 100.4 or higher in the past 24 hours
- > has had diarrhea or vomiting in the past 24 hours
- > has a cough, sore throat, pink eye, rash, colored nasal drainage (green or yellow), jaundice, skin infections, or communicable disease, i.e., chicken pox

NURSERY/TWO'S

Please do not leave your diaper bag or car seat at the counter. Cubbies with bins are available. Leave only what your child will need during service, i.e., one diaper, pacifier, bottle, etc. Snack will be served by volunteers wearing gloves (make sure to mark this on their daily sheet). Kids' hands will be washed before and after snack.

PRESCHOOL

Snack will not be served. Please ensure your child eats breakfast and uses the bathroom prior to arriving at church. We will attempt to socially distance kids and limit the amount of shared materials; however, this can be difficult at this age.

ELEMENTARY

Attempts will be made to limit the amount of shared materials and to socially distance the kids when possible.

BUDDIES

If your child is in need of a Buddy, please contact Angie at aschubert@brooklife.org
