

Questions to Ponder

- Have you ever started a new hobby or sport and was amazed at how intricate it was? What hobby or sport? What parts surprised you? What assumptions did you make that were not true?
- Please read Hebrews 2:16-19. Why do you think Jesus needed to become human? Does it give you comfort that Jesus did? How does it feel to know that Jesus understands what you're going through in life? Do you believe He does?
- The passage says that Jesus made atonement for us. He made it where we can be "square" or right with God. How does that make you feel? Do you feel like you aren't right? Why or why not? According to Jesus because of what He did, we are right with God. What keeps you from believing that?
- What is your next step with God? Is it baptism? Is it serving somewhere at or with Brooklife? Is it leading a LifeGroup? What keeps you from taking these next steps?
