

## **WHEN IN DOUBT WEEK 1**

### **GROUP DISCUSSION QUESTIONS**

- Have you ever had unfounded doubts about someone? What caused you to doubt that person? Think about a spouse or close friend. How have they overcome your doubts about him/her?
- Have you ever doubted God? The answer is “yes”. What do you doubt about God? Do you find it comforting or concerning that your pastor, John Ortberg and even John the Baptist have had doubts? Why?
- Please read Luke 7:18-29. Who is John the Baptist? What all had John the Baptist accomplished? What did Jesus think of John the Baptist? Why did John the Baptist doubt God?
- What do you expect of God? Take some time and list them. Are your expectations founded in what God has promised to be or provide, or are they what you want Him to be or provide? Why is understanding the difference between these two questions so important?
