

GUIDELINES

as of 6.6.21

RESERVATIONS RECOMMENDED

If your child's room reaches its max, every effort will be made to move your child to another room. Email Angie at aschubert@brooklife.org

FORGOT TO RESERVE A SPACE?

Download the "Church Center" app. If you forgot to register your kids by midnight on Saturday, you check your child into an open spot on Sunday.

MASKS FOR KIDS

We will follow parents' wishes

MASKS FOR VOLUNTEERS

Optional

CLEAN HANDS

Leaders will wash or sanitize kids' hands prior to entering the room

SICKNESS GUIDELINES

We ask that your child stays home if he/she:

- > or a family member has any symptoms related to or has been exposed to COVID-19 in the past 10 days
- > has had a fever of 100.4 or higher in the past 24 hours
- > has had diarrhea or vomiting in the past 24 hours
- > has a cough, sore throat, pink eye, rash, colored nasal drainage (green or yellow), jaundice, skin infections, or communicable disease, i.e., chicken pox

CLEAN SURFACES

Rooms, bins, toys and surfaces will be cleaned before services

NURSERY/TWO'S

We will provide a snack for your child (with your permission). Volunteers' and kids' hands will be washed before and after snack.

PRESCHOOL

Snack will not be served. Please ensure your child eats breakfast and uses the bathroom prior to arriving at church. We will attempt to socially distance kids and limit the amount of shared materials; however, this can be difficult at this age.

ELEMENTARY

Attempts will be made to limit the amount of shared materials and to socially distance the kids when possible.

BUDDIES

If your child is in need of a Buddy, please contact us at kidlife@brooklife.org
