Accommodations

This is being held at a Christian Retreat Center and is laid out like a camp

Twin and double bed options (all bottom bunks) are in a room with other women. The rooms have private bathrooms and showers. There are 4-5 other, similar rooms in each Lodge with a common gathering space.

Private rooms will be in a separate part of the grounds and a double bed in a room with other empty beds. If these rooms become unavailable, and you need a private room for snoring, physical concerns, or other personal reason, please let us know. We do not want this to be a reason you do not attend.

Roommates

You can choose *one* roommate in registration. We will put you in the same room and at the same table as your roommate. Our goal is for you to connect with women other than your current group or friends.

Physical Limitations

If you are concerned about any physical limitations you may have, please list those in the Note on registration, and we will do our best to accommodate you.
